MOLINE MAROONS BOYS BASKETBALL AIMS FOR THE FINAL FOUR

QCSportsNet.com, THE Quad Cities' provider of live high school sports, plans live, free play-by-play coverage of all Moline Boys Basketball State Tournament games, starting Wednesday, Feb. 22, and ending (we hope) at the Final Four!

These are the most anticipated basketball games in the history of QCSportsNet!!

All season long, Moline Boys Basketball has obliterated the record books over the 9-year history of QCSportsNet.com, with the top 5 audiences ever for regular season basketball (and 10 of the top 11) being Moline games this season. This is your one and only opportunity to be a part of the team ranked #2 in the state of Illinois in Class 4A. They have beaten some of the top teams in the Midwest and are ready for their big chance in the Big Dance.

QCSportsNet is providing to the Maroons community the opportunity to follow them all the way through the tournament. Supporters want to know...Who is making it possible? You! Fans want to support the businesses that support the Maroons. And sports listeners make the games their destination... They're not going anywhere when a commercial comes on...They're staying with us for all the action!
